

VIRTUAL *Brunch Experience*

While the 27th Annual **Brunch on the Bay** will be held on USF's Sarasota-Manatee campus on Sunday, January 24, 2021, we realize some in our community may not be ready to participate in person. So, we're offering a **virtual** Brunch on the Bay option. Enjoy the program—livestreamed—from the comfort of your home. You can also participate in the paddle raise and the chance drawing!
